

Rigel Recovery Residential Center

812 Third Street
Marietta, Ohio 45750

Withdrawal Management and Residential Treatment
A lifetime of sobriety starts here.

Rigel Recovery Residential Center provides inpatient withdrawal management for men and women and residential treatment for men. Our experienced, caring staff provide substance abuse counseling in a residential environment that promotes motivation and the awareness of the disease of addiction, along with time and structure to learn recovery and coping skills.

- Staffed 24 hours a day by a treatment team of licensed clinicians, chemical dependency counselor assistants, nurses, and a nurse practitioner
- Inpatient withdrawal management for men and women
- Residential treatment services are certified through the Ohio Department of Mental Health and Addiction Services
- Residents receive an array of clinical services including individual, group, and family therapy and, if appropriate, mental health counseling
- Medication assisted treatment is available
- Schedules are set from 7 a.m. to 11 p.m. with treatment and program activities
- Life skills and community reintegration are addressed
- Trauma counseling available
- Specialized treatment groups focus on specific needs or demographics
- Families receive information and support through the affiliated program Family Matters
- Therapeutic drug screenings assist in successful treatment outcomes
- Medicaid accepted
- Services provided by Oriana House, Inc., a nonprofit agency with a 35 year plus history of providing substance abuse treatment programs in Ohio
