Oriana House, Inc., provides quality and humane chemical dependency treatment and community corrections services to clients while contributing to safer communities.

Innovative and dynamic leadership team.

Utilize the University of Cincinnati substance abuse treatment curriculum for facilitation of group counseling. This intervention relies on a cognitive behavioral approach to teach participants strategies for avoiding substance abuse. The program places heavy emphasis on skill building activities to assist with cognitive, social, emotional, and coping skill development.

*Oriana House Inc., is an Equal Employment Opportunity Employer (including veterans, disabled, and other protected categories) and a Drug-free Workplace.*
