

JOB DESCRIPTION

JOB TITLE: Detox Monitor

JOB RESPONSIBILITIES: Responsible for the direct supervision of clients in the facility on a 24-hour basis.

Essential functions of this job include, but are not limited to:

Prepares and maintains a confidential, accurate, organized, and updated electronic health record for each assigned client. Maintains the timeliness of documentation as outlined in facility protocols, under appropriate supervision.

Records demographic information accurately.

Inventories clients' property in an accurate manner. Stores property and ensures its security. Releases property in an accurate manner to clients who leave the unit.

Collects urine specimens in accordance with Agency policy and procedures.

Effectively orients clients to program and facility by explaining issues including, but not limited to: rule infractions that may result in termination, the hours of service availability, clients' rights and the grievance procedure and costs for which they may be responsible.

Introduces clients to staff and peers.

Prepares beds and assists with general cleaning while adhering to Agency and program safety policies and procedures as well as required OSHA standards.

Observes unit life functions, (e.g., environmental adjustment, etc.).

Accurately accounts for the whereabouts of each client by conducting and documenting facility whereabouts every thirty (30) minutes in accordance with Agency policy and procedures.

Accurately administers an alco sensor on all clients at time of admission and discharge and documents in the client's electronic health record in an accurate and timely manner.

Assists with intake documentation as necessary (e.g., consent for treatment, consents to release information, face sheet, etc.) and maintains this information in the electronic health record.

Identifies and explores problems and their ramifications with attention to the clients' associated attitudes and feelings. With clients, examines alternative solutions and develops plans of action.

Coordinates the delivery of services and acts as an advocate in accessing other needed services.

Identifies and responds to crises that may negatively impact treatment and, where possible, uses the negative events to enhance treatment efforts.

Provides clients education through lectures, the use of audio and visual equipment, and reading materials. Informs clients about self-help groups and other community resources.

Stays informed of current available community resources.

Complies with documentation requirements for activities (e.g., sign in sheets, treatment procedures, and discharge summaries) and in the preparation of required reports.

Maintains ability to type/use computer and all programs implemented by the Agency including but not limited to those maintaining electronic health records.

Recognizes the need for case consultation by participating in case reviews, maintaining contact with referring professionals, and seeking assistance in matters that exceed the Detox Monitor's level of expertise and/or scope of practice.

Continues professional training and stays current in professional developments.

COMMUNICATION AND INTERPERSONAL SKILLS

Facilitates and maintains productive communication while maintaining a professional, prosocial relationship with clients and employees.

Maintains appropriate boundaries with clients and employees as outlined in Agency Code of Ethics and other policies.

Expresses empathy regarding client situations as appropriate.

Recognizes antisocial thinking and behaviors. Addresses them immediately, positively, and in a non-threatening manner.

Acknowledges clients' prosocial behaviors.

De-escalates potentially volatile situations between clients when necessary utilizing cognitive-based intervention strategies

Effectively communicates pertinent information at shift change to co-workers and/or program management staff (e.g., client hospitalizations, suicide watches, federal incident reports, ASA /escaped clients, unknown whereabouts).

Maintains telephone coverage during hours on duty. Answers calls courteously and professionally, directs calls appropriately, and takes accurate messages as necessary.

Interacts professionally with employees, visitors, guests, law enforcement, court, and safety personnel.

MODELING SKILLS
